The beautiful Cheba has returned to fill the space for yet another Sabotage chapter!~! Welcome!!
Welcome to the first of FOUR Episodes! Oboshaba~★

Wasn't that star just the NEATEST thing you ever saw??? Dem Japs get the coolest things with their keyboards! It's not fair at all! >w< Did you know that the Japanese have IEX too??? It's REALLY REALLY REALLY scary!!! And they use these fancy fonts and type them at insane speeds. All of my friends and I are just amazed at how fast they can type the most BIZARROUS looking font type things ever! Not to mention that it's like impossible to read their IEX. Whenever people talk to me and IEX I just ramble on about the most random things I can.

By the time this is released, my summer is probably almost done! OH NO! OH NO! At least it's been an awesome summer~ Aside from back-stabbers over the internet, being lazy as heck, being over-lazy-as-heck when I've got 50 gajillion chapters to be edited and other things :))
Uhhhh...

To be continued... Oboshaba...

WELL... I
THINK YOU
COULD SAY
THAT!

And now here's my SECOND booklet for this chapter~ Goodnight!~ ♡

I have a story story to tell. It all happened on the 15th of July. That month got messed up and had something along the lines of "Hey shut~! I have some free time- wanna chat?" Also was around like 3 in the morning. Japan time labeled New, chat name "did brother too" so basically it responded with "OLD LADY?? THIS POKER!! THING!! IT???" made a Japanese noise that it's a Japanese one I'm on. The guy disappeared and never responded again. I saw a few minutes later I got another message from a complete n00b on that very chatting app. He is like "yo- you guys, is it a bit" (which is the usual routine most guys do on the site considering that a place for DISPERSED Japanese people) replied I'm like "is not a go" so he sends it to me (temporarily) because he was included but fell down in his usual usage thingy. It's obvious (as) New Jan ended up being a chat house guy. Like usual but I was stupid and shared my no-thought.

So you know what my story? I was stupid and told her the backstory of what Jan here and the good and bads from from me!! MY!! I was so stupid. It made me cry. I was pissed still day...T...T like even got to talk to her on MSN WTF?? I was so stupid.

Maybe that some girl actually tried to match me. It was a flaky attempt but too bad for her I was only interested for five minutes and told her self-same rose. NO like me.

So while I sit, still on the topic of my Japanese chatting site, I have a question. "WHY THE HELL DO I GET ALL OF THESE 20-25 YEAR OLDS TALKING TO ME? I am a like-CHRG PRDO ALERT. The site says I'm 26, maybe I said. The site says you're 26. Please, don't talk to me. If you ask me for my picture you know what you're going to get? A PHOTO OF SOME RANDOM ASIAN PERSON (and I'm what a fool).

These people and people on the site want me. But I want the highest rated person my age!" That just guy was 11, and I met another guy named Misono who's 19. you don't want me to get started about him, I don't like him! LOVE him. Once I start about him I'll never shut up.

Good? Did I have another funny story, to tell you all.

Okay so there's this guy named John. He lives in Michigan. He's white and can't read even the simplest Hiragana character. The he goes on my Japanese chatting site. Yeh huh? "Why would you bother going on a Japanese site for CHATTING if you can't even read the dang language?" So anyway, he goes and messages me. and I think well it's all talking to her is easy. So she starts up this story about her being this Japanese girl who lived in Florida before she actually does live so she knows English and Japanese. They start talking on MSN and John starts making up this crap about how he knows everything about Japan because he went there when he was 11 years old and stuff.

to be continued here so I can get to explain that

SAVO-GLAD,
THAT KIND OF
SUPPORT
DOESN'T WORK
AN MORE.

THESE

TELLING HIM I
LOVE HIM.

AND THEN GOING TO

## PIGSEL'S RANT

Well I'm Pigsell! One of the main authors. :) Thanks to Shiro for letting me write the preface for this chapter! Also, I'm excited.

Anyway, oh... I kinda had a difficult time writing this chapter. Poyan was directing me to no end. Go I dropped it and suddenly I had so much time to edit! But hey, don't follow my example, kiddos. I'm still in mainstream Poyan. :P The one I dropped is TB, aside by the way, is GEM-PICTURE instead. Good necessary stress and too much useless hard work. (I mean, jeez... I actually had to HIDE in that case!)

As to manga-related issues? My head's empty of it at the moment. Of course, if you come later, it would probably still be empty. Yeah... I'll confirm this in the next preface. :P My food one is a bit long, huh.

AWKWARD SILENCE

GORRY,  
YAMADA.

I'M ALMOST  
UP TOO, SO  
I GOTTA GO  
WITH TARA.

RIGHT?

RIGHT?

## RICHEL'S DREAM (PART 2)

Oh ee... Goshung ee... Huh, poor Hui Hui... That's so really embarrassing. It sucks when maybe you're riding a bike with a flat tire, and you realize that people don't know that. Then you start to think that a lot of people probably think you're some girl looking for attention or something.

It also sucks when you lose your fly unyipped. That happened to me recently. I went to the bathroom before I left school and took the time and time knew like I usually do. When I got home and saw pants change into my pajamas, I realized my fly was unyipped. Then I thought, "Oh crap. I wonder if anyone noticed?" At least for dozens of me not seeing those people and then remembering one day. I just remember to always check your fly!

I also remember losing my pants on the bus in first grade, but I'm sure you wouldn't want to hear about that.

WHAT  
!?

LET US SHOW  
THE WHOLE  
SCHOOL THE  
THREE-LEGGED  
RACE OF OUR  
BURNING  
BURNING  
LOVE!!!

I'M GONNA BE  
IN THE FAMILY  
PARTICIPATION  
ACTIVITY  
INSTEAD OF  
DAD, 'CAUSE  
HE COULDN'T  
MAKE IT.

BE

WHAT THE  
HELL ARE  
YOU DOING  
HERE??  
YOU'RE UP  
FOR HORSE-  
RACING,  
RIGHT?

FUJIOKA  
--!!

HE NEVER  
USED TO GET  
ANGRY AT ME  
FOR TAKING HIS  
GIRLFRIENDS.

PRETTY  
SURPRISING  
OF HIM TO  
GET SO  
ANGRY.

AS SOON  
AS I'M  
INTERESTED  
HE DOESN'T  
SEEM TO  
CARE  
ANYMORE.

IT WAS THE  
SAME WITH  
GIRLFRIENDS.

SO HE SAYS  
HE DOESN'T  
LIKE HAVING  
ANYTHING  
THE SAME  
AS ME.

HE  
REALLY,  
REALLY  
DOESN'T  
SEEM TO  
LIKE ME.

**MOSEL'S RANT  
(PART 3)**

I wonder if I'd ever meet someone like Kyoko? I think it would be great and bad... First he'd dump you if his brother liked you. Then he would be really loved you, it might not be a very good relationship.

I'm going to go see him... This girl who can sing 4 octaves. She's really famous but I can't remember her name. My friend wants to see her to concert (she's a big star) for her birthday. She kept the part about it being for her in 5th grade a secret though, because she didn't want people who really didn't wanna go to feel obligated to. It was nice of her to think that way. (I probably wouldn't've, huh?)

Enjoy reading the rest of the chapter!

PIXEL'S BANT

Pixel here. I am the author. I had a lot of fun doing your chapters... A lot of cute scenes between Fujoka and Miles. :3 But uh... It was also an area because the ATR were all over the house and looking to do some trick really broke me off. As well. It was all looking fine, right? Well.

Oh oh... how's it going? Huh? That's great! As for me, I just had my Math diploma. The written part was... Less than amazing. But I think I did fine in the multiple choice portion 'til I did badly. Then I'm just going to retake it... 'til I have plenty of other classes since I still have next semester and next year. Guess though it costs money...

Lolita... 'til I have nothing to write, I wonder what I will say in the next chapters? Hopefully something good, right? Well, since it's me, that would be pretty rare.

THAT'S WHY

MOSEL'S RANT (PART 2)

I want Spider-Man back and X-Men Next-Gen. I withdrew from all the time when I was 9/11, but I was so young that I can't remember most of it. Though the Venom episodes are still pretty clear in my head. But there were too many scenes on that show! EOD had (and still does) a lot of scenes... Not being able to directly mention death or lying had to use "destroy" and "destruction" and etc. And people complete died 'naw badly some minor scenes are deleted. They aren't the only ones to get that treatment! A lot of EOD scenes have got uncensored pretty badly. Which is why many of the movies in Spider-Man would fall into voluminousness particle or almost. Besides. That makes me laugh.

Everything's so hidden up nowdays. It's not if any our scenes weren't so tough. I mean, Canada's not as bad as America, but still.

I want you, Jang! So please
